REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: ODP was considered for the claims, however due to the restriction requirement for parent application 10/044,423 (US 6,962,804), and the specificity of the present claims, a rejection under obviousness-type double patenting rejection was not made.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michele K. Joike, Ph.D. whose telephone number is 571-272-5915. The examiner can normally be reached on M-F, 9:00-6:30.
